Dear Parent/Carer

## After School Homework Club

Our Library opens every day after school from 3.15 to 5.00pm for 'After School Homework Club'. This is a great facility for pupils to complete homework and also providing them with a safe place to stay, whilst waiting to be collected by parents/carers.

With the growing numbers of pupils in School, the 'After School Homework Club' in the Library has become increasingly popular, which has resulted in us taking on an extra member of staff and opening up an extra room (the IT room opposite the Library) in order to facilitate the large number of pupils now attending.

The club is run with pupils initially registering in the Library and then being divided between the two rooms. The focus of this club will remain the completion of homework and reading.

Despite this being an afterschool club, pupils must remember that they are still in school and normal school rules apply. Please see the attached Library Behaviour Guidelines which apply to all pupils attending 'After School Homework Club'. We would greatly appreciate it, if you could read through these with your child/children. Can we also request that if your child comes home with a B1 sticker from the 'After School Homework Club' in their student planner, that you have a discussion with them about the importance of good behaviour during their time at this club..

If you would like your child to attend, please completed and return the slip overleaf.

Yours sincerely

A Willis  
Librarian

M Brazier
