

The Birchensale 100 Challenge!

What is it?

In this section of the Website you will find a list of 100 tasks to try and complete whilst the school is closed to the majority of pupils.

Within the list, there are tasks that everyone will be able to do and some that only some people will be able to try, just have a go at the ones you can.

When will it run?

There is a starter round: With the Easter break now upon us we have prizes available for pupils who complete the most challenges and gain the most points by 1st May.

The full competition will run until 1st July 2020 when the overall winner and runners up will be decided.
