

Birchensale Middle School's Newsletter

Welcome Back!

1 - Mrs James Head Teacher

Welcome back to all our pupils and staff after a long summer break. So far school feels really calm and purposeful and we continue to move forward following our positive visit from Ofsted.

Over the holiday, we have been really busy in school refurbishing our Year 5 area, re-carpeting some classrooms and reflooring our DT, Art and science labs. It was much needed and is so much nicer for the children. We will continue to do this every holiday if possible.

Thank you for sending your children to school looking so smart, on time and with all their equipment. It is much appreciated.

We look forward to providing many opportunities for you and your families to visit us both in and out of the school day. Have a lovely weekend.

New build work starting Monday 16th September

Please can all parents refrain from coming onto the staff car park in any vehicles unless absolutely necessary i.e disability. As building work will cause parking to be restricted.

Year 5 & 6 Bikeability

Bikeability is back! We will have 2 courses running this year, with the first taking place W/C 21st October 2024. This course is aimed at pupils in years 5 & 6 who would like to ride their bikes / scooters to school and haven't yet passed this course. Letters with information about bikeability and forms to sign up for bikeability will be coming out over the next couple of weeks, so if this is something your child would be interested in doing, they will need to fill one of these in and return it to the PE department.

Have a look at our open evening & morning time and dates for this term.

BIRCHENSALÉ MIDDLE SCHOOL

Understanding your Child from Toddler to Teenager

Would like to know more about your child's development and better understand their behaviour?

We all know being a parent can be one of the most challenging and rewarding roles you will ever take on as an adult, and sometimes we could all use a little extra help.

This relaxed and fun group will help you to explore topics like:

- Developmental needs
- Communication
- Sleep
- Behavioural difficulties
- Family fun

Suitable for families with children and young people aged 0 - 19 years old, with 2 hourly group sessions running over a 10 week period.

This group runs across the county.
Book by scanning the QR code to visit
