

STEAM challenges

Year 7 and 8 have been completing STEAM (Science Technology Engineering and Maths) challenges in Science this week. This has been a focus on building team skills and problem solving techniques. This weeks focus has been the Wind turbine Challenge and Newton's Racing Cars.

Parking Reminder

We would like to remind all parents and carers to park safely and considerately when dropping off and collecting pupils.

To help keep our school community safe, please avoid:

- Parking opposite the Cedar Road junction
- Double parking
- Parking on the entrance or exit to Cedar Road
- Parking too close to the school entrance

These simple steps help ensure the safety of our pupils, staff and the wider public, while also showing respect for our local residents.

Thank you for your continued support and cooperation.

Important Updates

Year 8's lunch/tuck accounts

We kindly ask parents and carers of all Year 8 pupils to begin reducing the balance on their child's lunch account via MCAS. Please ensure there is enough credit for daily tuck and lunch purchases only, so that accounts are close to zero by the end of the academic year. Thank you for your support.

Data Collection

Pupils in years 5, 6 & 7 have been given a data collection sheet for parents/carers to complete. This form allows us to ensure that we have the most up-to-date contact details, emergency contacts, and any medical information for your child. Please ensure that you have returned your form to school. Thank you for your support in helping us keep our records accurate and up to date.

Paracetamol Consent – Important Information for Parents/Carers

If you have given consent for your child to be administered paracetamol in school if required, please provide a packet of paracetamol or a bottle of Calpol. All medication must be clearly labelled with your child's full name and date of birth. Please note that the school does keep a small supply for emergency use; however, we are unable to fund this provision for all pupils. Thank you for your support.

Tuck/lunch money accounts

A gentle reminder that if your child buys tuck or school lunches, please ensure their account has enough money on it. We've recently had quite a few pupils coming to the school office asking us to call home for top-ups. Unfortunately, due to the number of pupils in the school, we're not able to check accounts or send reminders for everyone. MCAS has now been set to automatically send a message to parents when the account is running low. We'd really appreciate your help in making sure accounts are topped up in advance. Thank you so much for your support 😊

KS2 Transition Morning sessions

Thank you to the KS2 pupils for showing great resilience this week in their transition morning sessions. Y5s have settled well into their new Year 6 classes with their new teachers 😊.
